

Gentian SIP 2018-2019

Quick Reference Guide

School Climate Goal: By May 2019, 100% of teachers will effectively implement school-wide components of PBIS with an emphasis on critical elements and effective disciplinary process.

Strategies:

- Utilize chart to differentiate major vs. minor behavior infractions
- Create and utilize a Behavior Flow Chart that shows process of handling student behavior
- Increase school to parent communication regarding student progress both academically and behaviorally
- Implement a positive behavior reward system

School Instructional Goal: May 2019, 85% of teachers will proficiently implement the Gradual Release of Responsibility Framework when teaching all content with a focus on guided instruction.

Strategies:

- Provide continued professional development on the Gradual Release of Responsibility Framework to all teachers
- Monitor the implementation of the Gradual Release of Responsibility through data-team planning minutes
- Conduct teacher-to-teacher observations related to the Gradual Release of Responsibility Framework and hold debriefing sessions to share effective teaching strategies
- Begin implementation of the Multi-Tiered Systems of Support across all grade-levels

Professional Learning Plan

- Gradual Release of Responsibility Framework
- Multi-Tiered Systems of Support
- Begin implementation of Positive Behavior Interventions and Supports
