What is Title I?

Fox Elementary is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is a federal grant that was designed to ensure that all children receive a high quality education and reach grade level proficiency. Title I programs must be based on effective means of improving student achievement and include strategies to support parent and family engagement.

SCHOOL PLAN FOR SHARED STUDENT ACHIEVEMENT

What is it?

This is a plan that describes how Fox Elementary will provide opportunities to improve parent engagement to support student learning. Fox Elementary values the contributions and engagements of parents to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways Fox Elementary will support parent engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

Fox Elementary welcomes parent input and comments regarding the Parent and Family Engagement Policy. The policy is posted on our school website for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the policy for the next school year. Fox Elementary also distributes a Title I Annual Survey to ask parents suggestions on the Parent and Family Engagement Policy and the use of funds for parent and family engagement.

Who is it for?

All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this policy. Fox Elementary will provide full opportunity for the participation of parents with limited English, parents with disabilities, and parents of migratory children.

SCHOOL- PARENT COMPACT

As part of the Parent and Family Engagement Policy, Fox Elementary School and our families will develop a School-Parent Compact. School-Parent Compact for Achievement is an agreement that parents, teachers, and students will develop that explains how parents and teachers will work together to make sure all our students reach grade-level standards. The compacts will be reviewed and updated annually based on feedback from parents, students, and teachers. Copies of the School-Parent Compact are kept in the Parent Resource Room (rooms 404) and placed on the school's website.
