Parent and Family Engagement Policy 2019-2020

Plan Revision Date: 8/23/2019

What is it?

The Parent and Family Engagement Policy describes how Reese Road will provide opportunities to improve parent engagement to support student learning. Reese Road values the contributions and involvement of parents in order to establish partnership for the common goal of improving student achievement. The Parent and Family Engagement Policy describes the different ways the school will support parent engagement and how parents can be involved.

How is it developed?

Reese Road welcomes parent input and comments at any time regarding the Parent and Family Engagement Policy. All parent feedback will be used to revise the plan for next year. The Parent and Family Engagement Policy is available for parents to view and provide feedback throughout the year. Reese Road also distributes a Title I Annual Survey to ask parents for suggestions on the Parent and Family Engagement Policy and the use of funds for parent involvement.

Who is it for?

All parents at Reese Road are encouraged and invited to fully participate in the opportunities described in the Parent and Family Engagement Policy. Reese Road will provide full opportunities for the participation of parents with limited English, parents with disabilities, and parents of migratory children.

Where is it available?

What is a School-Parent Compact?

As part of the Parent and Family Engagement Policy, Reese Road and our families will develop a School-Parent Compact. A School-Parent Compact is an agreement that parents, students, and teachers develop together. It explains how parents, students and teachers will work toward mastery of grade-level standards. The compact will be reviewed and updated annually based on feedback from parents, students, and teachers.
