

## Columbus High School SIP Summary 2018-19

**School Climate Goal:** By May 2019, 100% of teachers will implement a school wide incentive plan that will improve student attendance.

**We will continue/implement:**

- Implement incentives for attendance
- Monitor daily attendance
- Closely monitor extra-curricular absences
- Revision of college visits policy
- PD #1 Re-establishing Loyalty and Commitment

**Monitoring will be done via:**

- Attendance Reports
- Tracking college visits
- Administrative meetings

**Evidence of Impact:**

- Attendance Reports
- Pre-approved absence requests
- CCRPI

**Instructional Goal:** 100% of teachers will be trained on data analysis and collaboration with 85% showing effectiveness using nationally normed data sources to improve instruction.

**We will continue/implement:**

- PSAT Data Usage PL
- AP Instructional Report and Milestone Report Analysis
- Data Collection Tools (Use of AP Grading Rubrics)
- Science 5E Instructional Strategies
- PD #2 - How to use PSAT data to differentiate instruction
- PD #3 - Departmental Showcase of PSAT Data to Differentiate Instruction

**Monitoring will be done via:**

- Classroom observations by administrators
- Department chairs will do focus walks
- Revised Lesson Plan template
- Monitor implementation of professional development through lesson plans, walkthroughs, and observations

**Evidence of Impact:**

- Observation Feedback forms
- SLDS Usage Data
- Professional Learning sign-in sheets
- Action Research Project Findings Report
- Lesson Plans
- Meeting Minutes (Department, Magnet, Leadership)
