

January 14, 2021

MCSD Parents,

We have remained in consultation with our panel of local medical professionals and public health agencies to continue monitoring our community status for COVID-19. In accordance with the advice and recommendation from the panel and based upon district operational needs, we will return to the choice model in a phased approach.

Phase one: January 19-22, 2021

Choice model: grades Pre-K-5 and self-contained special education students

Virtual instruction: grades 6-12

Phase two: January 25, 2021

Choice model: all students, grades Pre-K-12

Our foremost goal is to balance the educational needs of our students with the safety and well-being of our students and employees during this time. We appreciate your patience as we look forward to welcoming your students back under the choice model as soon as possible.

Thank you for your continued partnership and confidence.

Sincerely,

David F. Lewis, Ed.D.
Superintendent of Education
Muscogee County School District
