2018-2019 Compulsory Attendance Law O.C.G.A §20-2-690.1
Parent & Student Notification Agreement

The Compulsory Attendance Law O.C.G.A. §20-2-690.1 continues to be in effect for the current academic year, which pertains to every school district in Georgia. The Compulsory Attendance Law states "children between their sixth and sixteenth birthday shall enroll and attend a public school, a private school, or a home study program". If a child is under six (6) years of age and has attended more than 20 days in a public school, he/she is then subject to this law. The law also provides "penalties for parent(s), guardian(s), or other person residing in Georgia who are in violation of O.C.G.A §20-2-690.; which are imposed at the discretion of the court having jurisdiction ". Each day's violation of this law, after the School District has notified the parent, guardian, or other person in charge of a child having five unexcused absences from school, shall constitute a separate offense subjecting the person notified to the following measures:

1. Fine of not less than \$25 and not greater than \$100
2. Imprisonment not to exceed 30 days
3. Community service
4. Any combination of the above penalties

Elementary and middle school students may only miss 15 days per year before possible retention. High school students may miss only seven (7) days per semester to prevent loss of credits. Parents are required to provide proof of excused absences **within three days after the absence occurred**. Handwritten notes from parent(s), a doctor's excuse, or a copy of a court order are a few examples of acceptable proof of absences. **Schools may require additional verification for those students who have established a pattern of excessive absences.**

The Muscogee County School District is required to obtain signatures from the parent, guardian, or other person who has control or charge of child or children and students (who are ten-years-old by September 1) as an acknowledgment of receipt of the Parent & Student Notification Agreement and the possible consequences due to non-compliance.

Thank you for your cooperation in acknowledging receipt of this agreement and the consequences in the event of any violation of the Compulsory Attendance Law. Please return this to your school's administration.

6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;

8. Income, other than as required by law to determine program eligibility.

This parental notification requirement and opt-out opportunity also apply to the collection, disclosure or use of personal information collected from students for marketing purposes ("marketing surveys"). Please note that parents are not required by PPRA to be notified about the collection, disclosure, or use of personal information collected from students for the exclusive purpose of developing, evaluating, or providing educational products or services for, or to, students or educational institutions. Additionally, the notice requirement applies to the conduct of certain physical exams or screenings. This includes any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student. This does not include hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required by State law.

MCS D will provide parents, within a reasonable period of time prior to the administration of the surveys and activities, notification of the surveys and activities, an opportunity to opt their child out, as well as an opportunity to review the surveys. (Please note that this notice and consent/opt-out transfers from parents to any student who is 18 years old or an emancipated minor under State law.)

Security and Damages

Personal Devices: responsibility to keep personal devices secure rests with the individual owner. MCSD is not liable for any personal device stolen or damaged on school district premises. It is recommended that skins (decals) and other custom touches be used to physically identify individually owned devices. Additionally, protective cases for technology are encouraged.

District Issued Devices for School Use: use of school computers is a privilege that is earned by abiding by the rules described in MCSD Student Behavior Code. Failure to use the computer properly and respectfully can result in the privilege being revoked and possible disciplinary action. The parent will be notified.

Student Responsible Use Agreement:

The use of technology to provide educational material is a necessity today. Computer use is no longer an option that students can opt out of but a necessity for our 21st Century learning environments. Muscogee County uses a web-based learning management solution (LMS) that permits students to participate in an online learning environment in a format with which they are already familiar. Students log into the LMS with a district provided username and password so the activity can be monitored for safety and compliance. Students and parents will actively participate in the *Responsible Use* trainings at the start of school and agree to abide by the following acceptable use guidelines:

- Adhere to the Student Code of Conduct as well as all Board policies, particularly Internet Acceptable Use (Policy IFBG) and Internet Safety (Policy IFBGE).
- Take full responsibility of personal or district issued mobile devices and keep it with himself or herself at all times.
- Keep all devices in silent mode while on the school campuses and while riding school buses
- Access the computer with the assigned student user name and password and use the device for instructional purposes only.
- Be respectful of others and never use the device to record, transmit or post photographic images or video of a person, or persons on campus or while attending school sponsored events unless it is an explicit teacher requirement for a school assignment. Permission to photograph or video another person must be obtained even in the case of school assignments.
- Be respectful of other students' work and never copy, change, or remove another student's work from the device, the school network, the Internet, or any of the eLearning solutions used by MCSD.

- Make comments and discussion responses that are helpful and respectful and directly related to the purpose of the original post.
- Immediately inform a teacher or administrator whenever anything on the Internet is encountered or that may be inappropriate or a violation of school policies.
- As required by Children’s Online Privacy Policy Agreement (COPPA), never share personal information of any student online.
- Comply with teacher request to shut down the device, close the screen, or put away.
- Use the school’s connection to the internet without bypassing it so that the content filters can be applied to the connected device.
- Take care of the equipment being careful not to bring on the premises any Virus, Trojan, or program designed to damage, alter, destroy, or provide access to unauthorized data, and/or to participate in acts of “hacking” or bypassing the network security.
- Submit the device to be examined any time it is suspected of causing problems or is the suspected source of an attack or virus infection.
- Back up files on personal media or One Drive accounts in the case of loss of data on the issued device.
- Ensure the device is fully charged prior to bringing it to school each day
- Use the MCSD issued email account responsibly adhering to all the guidelines in Board Policy IFBG.
- Report any damage or problems with a District-provided device to a teacher who will create a work order for the device to be checked by a MCSD technician only as per the Property and Risk Management protocol.

Sanctions for Misuse

Use of the Internet and any district issued or personally owned devices is contingent upon compliance with state and federal laws, district regulations, and the user responsibilities outlined in this document.

- Violations may result in loss of some or all privileges.
- Specific disciplinary actions involving student misuse will be determined in accordance with Board of Education Policies and the Muscogee County School District Behavior Code.

TRANSPORTATION DEPARTMENT

PARENTAL ACKNOWLEDGEMENT FORM FOR BUS RIDERS - SY 18/19

All parents/guardians of students who will utilize a MCSD School Bus as means of transportation to and from school must have a Parent Acknowledgement Form signed prior to the student being provided a bus assignment & pass. **Every student must have their own signed PAF.**

Please read and initial each item...

_____ All students are required to be present at their designated bus stops five (5) minutes prior to their (AM) bus stop time.

_____ Students in grades ranging from Pre-K to Second (2nd) are required to have a parent/guardian present at their designated bus stop for PM drop-off. Bus riders within Pre-K to Second grades are permitted to exit the bus with an **older sibling who resides in the same household. That sibling needs to be present.**

_____ Parents/guardians meeting their children at their designated bus stops are to be present five (5) minutes prior to their child's bus stop time. **Tardiness is unacceptable and will be documented for review by the Zone's Supervisor.**

_____ Students are to only board and depart buses at their designated bus stops. Any temporary changes are to be requested by the parent/guardian to their child's school Principal whom grants permission for the change. **NO EXCEPTIONS!**

_____ **Under no circumstances** will Elementary School-Aged students be allowed to consume food or drinks on the bus. This poses a major choking hazard and is prohibited. It is the bus driver's discretion to allow their Middle & High-School students to consume snacks on their bus.

_____ **Students are never to run after a bus.** Students who miss their bus are to return home and notify their parent/guardian that they have missed their bus. The parent/guardian can then contact the Transportation Department's Dispatch Office for further assistance. We will do our best to get the student to school however, excessive tardiness will not be tolerated and will be documented for review by the Zone's Supervisor for disciplinary action.

_____ Animals are not permitted on MCSD buses and band instruments are only permitted if space is available.

_____ Students are not to wear ear devices while waiting at a bus stop for their bus to arrive nor while departing from a bus. Most bus-related accidents occur at the bus stop when students are boarding/departing from their buses, full attention must be paid by the driver as well as the student. Failure to adhere to this policy will result in disciplinary actions. Students are permitted to use their cell phones on the bus however, the use of ear pieces are required when listening to music or playing games.

_____ The following list of unfavorable behaviors are prohibited on any MCSD Bus and will be swiftly met with disciplinary actions if violated:

- **Fighting**
- **Profanity**
- **Vandalism/Theft**
- **Carrying/Using Weapons Aboard a Bus**
- **Sexual Misconduct**
- **Bullying, Harassment, Discrimination**
- **Disrespectful, Discourteous, or Offensive Behavior**

_____ Be aware and make your children aware that every school bus is equipped with audio/visual surveillance which is in place for the safety of your children and the bus driver alike.

_____ The MCSD, Transportation Office or the Bus Driver will not be held responsible for any lost and/or left behind personal items on a school bus.

_____ Bus drivers are given a ten (10) minute window for the pick-up and delivery of students. A driver will never arrive to a bus stop too early and if the bus is delayed beyond ten (10) minutes, the Dispatch will be notified. Parents/guardians can contact the Dispatch Office at 706.748.2876 to receive updated information of their child's bus.

The Muscogee County School District has adopted a **No Tolerance** approach to misbehavior on the school bus. Each student riding a school bus is expected to follow the same rules of courtesy and good conduct as in the classroom. These rules are necessary for the safety of everyone who rides. Infractions of the rules are documented by the bus driver on a discipline notice and turned in to the offending student's school office for the school administration to handle.

Should a parent need assistance with any aspect of their child's transportation please forward these concerns to the MCSD Transportation Office. Please discuss this acknowledgement form with your child prior to the first day of the new school year. A better understanding leads to a higher level of safety!

Please provide the appropriate student/parent information below. The email address provided will be used to convey your child's bus activity to include bus changes and/or delays. This will also be means of receiving your child's bus assignments & passes.
