

School Immunization Requirements for 7th grade entry

Effective July 1, 2014, all children born on or after January 1, 2002 who are entering 7th grade, and new entrants* to Georgia schools in grades 8 – 12 will be required to have Tdap (Tetanus, Diphtheria, and Pertussis) and meningococcal conjugate vaccines before entering school. Please see your primary healthcare provider or the Columbus Health Department to get these vaccines now and avoid the rush! A Georgia Immunization Form 3231(rev) will be required.

*New entrants include anyone that is entering Georgia schools for the first time or is returning to a Georgia school after being gone for more than 12 months or one school year.

For more information contact your primary healthcare provider or the Columbus Health Department at 706-321-6300.
